Re: Sauget Sites - Area I and II

Dear Mr. Takacs:

Thank you for your letter of October 13, 1989. I'm not sure why, but I did not receive that letter until October 19, 1989.

Please take this as my intent to be at the meeting concerning the above-referenced matter on November 15, 1989. I hope that the meeting will be held in the Sauget Village Hall or in that area since that's where most of the potentially responsible parties are located. I will be attending on behalf of the Village of Sauget, and I assume you have sent a similar letter to Mr. Harold G. Baker, who most probably will be attending as well.

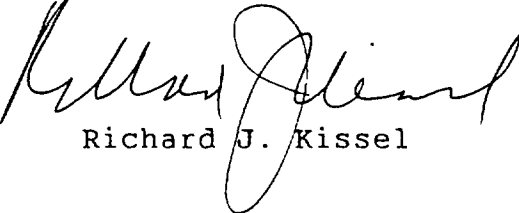

If there is any documentation which you have that would be helpful to expedite matters at the meeting, please send them to me prior to November 15th.

I look forward to the meeting.
